

TIME MANAGEMENT and MARKETING MANAGEMENT ACE
PUBLIC SPEAKER and WORKSHOP TRAINER

Regina Garay

Regina Garay is the founder of Right Brain Loves Left and an engaging public speaker and workshop trainer.

Through her leadership of the GoalMinds Mastermind group and her extensive background in the profit and non-profit sectors, Regina provides guidance, strategy, and support, empowering entrepreneurs to achieve their goals and significantly enhance their digital presence. Her role as a Marketing Mentor for the SCORE program further showcases her dedication to offering practical, impactful advice. Regina’s dynamic presentations deliver actionable insights, equipping attendees with the strategies and confidence needed to thrive in their business endeavors.

“

We hit the jackpot with you! Your delivery was incredibly engaging and really got them involved. I know you greatly impacted our attendees and will help them grow and develop skills and habits to better their businesses. We received a ton of positive feedback. Looking forward to the next time!

IDAL CONVENTION

“

Regina is the tech-savvy friend we all need. I continually enroll in her classes to get the latest updates, and she never disappoints. She’s well organized, generous with her knowledge, and engaging. Even if you only implement half the things you learn in her classes, you’ll be ahead of the curve.
